Vitamins to VEGA!

7th. Jun. 2024

## VITAMIN

01

On June 6, Brothers Technology quoted vitamin B1 nitrate at USD23.5/KG and hydrochloride at USD33.3/KG. Tianxin Pharmaceutical quoted vitamin B1 nitrate at USD23.5/KG and hydrochloride at USD32/KG. Huazhong Pharmaceutical stopped quoting vitamin B1 nitrate and hydrochloride, and it is expected to resume quoting at the end of June.

## AMINO ACID

02

Lysine: Recently, the quotations of mainstream factories for 98 % lysine have been raised, while the quotations of second-tier factories have remained relatively stable. The quotations of 70 % lysine have been slightly raised, boosting market inquiries. Currently, transactions have increased slightly, and end users are mainly replenishing their stocks. In the future, we will pay attention to the progress of factories' orders.

## API

03

Huashen Technology announced that Lingkai Technology is a joint-stock company of Huashen Xingrui, a wholly-owned subsidiary of the company, focusing on and mainly engaged in small molecule compound technology and product solutions. Due to strategic development needs, Lingkai Technology intends to apply for the initial public offering of overseas listed shares (H shares) and be listed on the main board of the Hong Kong Stock Exchange.

## FOOD ADDITIVE

04

Recently, affected by market demand, the transaction price of anhydrous saccharin sodium has stabilized at around RMB 44 -47/KG in the domestic market, and the transaction price in the foreign market is around USD 5.5-5.7/KG. In the short term, the price of anhydrous saccharin sodium will stabilize.
